Beliefs of the Eyes

Below is a list of beliefs that may be stored in your body affecting your vision.

All I see in my future is heartache.

I have a fear of the future.

I have a desire not to see what is going on around me.

I am important.

I am fearful of the present moment.

It is dangerous to see the truth.

If I can't see it then it didn't happen.

I witnessed a traumatic event and therefore I choose not see things clearly anymore.

I am unable to what I want.

I am unable to see the true source of my abundance.

Disclaimer

Though I personally have experienced amazing results from my Thetahealing treatments, I am making no claims that you will have the same results. It is important to realize that Thetahealing as well as, other energy techniques used on your body, should not be used as substitutes for professional traditional medical treatment. It is also very important to continue with your traditional medical treatments with your doctors while receiving energy techniques to help the body shift and balance to a greater feeling of well-being.

Most of these beliefs are listed in the book "Healer's Wisdom" with permission from the author Valeria Moore.
