

## TESTIMONIALS

*I received a diagnosis of hyperthyroidism from my doctor. Mrs. Nassr explored my beliefs associated with my thyroid which included anger and feelings of powerlessness. She taught me how to live my life without feeling powerless and how to cope better with my anger. This led to improving the functioning of my thyroid. I am truly grateful!*

*Several doctors have been treating me for depression for the past 10 years. No one has been able to help me to the degree that Mrs. Nassr has with her energy treatments of Thetahealing and Yuen Energetics. I highly recommend them. It has helped me in so many ways!*

*I was suffering from Post Traumatic Stress Syndrome from my experience in the military while serving in Iraq. My doctors wanted to put me on drugs to deal with the stress. I met Mrs. Nassr and decided to give her techniques a try. My health has improved and I am able to go back to work full time for the first time in five years! Thank You Mrs. Nassr!*

*If you have been suffering from an illness that the doctors have not been able to heal for several years you owe it to yourself to try energy healing.
